Lance:

Ok—I just went through my email and Attorney Skiba did email Marathon's response on September 12, 2014.

I get some many emails and sometimes as you can suspect a miss a few.

Also, you reference emails you sent me in August 2014 if you re-call I was out of the office from August 6, 2014 through September 2, 2014.

In the future so that we can avoid matters like this from getting missed please go over and see me or call me.

Thanks,

Marvin Benton
